Dear Prospective Student:

It was gratifying to learn that you have been accepted by industry to pursue our cooperative training program. Your application for this training indicates realization on your part of the value of work experience and education beyond that obtained in public school.

In order to acquaint you with our rules, we are enclosing a copy of our "Academic Regulations". Please read them carefully prior to your reporting to school. There are several regulations which will require action on your part and, therefore, you should be familiar with them.

According to your employer you are to start in school on Monday, August 12, 1957. You should report to Room #9 in our Main Building at 8:00 A. M. on that date. If there is any further information you may desire, please feel free to contact us.

Sincerely yours,

David H. Lockart
Dean
