GENERAL INFORMATION

Books and Supplies
Students must provide their own books, paper, drawing materials, etc., and pay for any breakage or damage of school equipment that they may cause. Student supplies will be sold by the school bookstore each evening school night from 6:45 to 8:30 p.m.

Size of Classes
No first year course will be given unless at least 10 men register for it and, in a few instances, more than that number. Advanced courses will usually, but not necessarily, be given, regardless of number.

Inclement Weather
Due to difficulties in notifying in time students and instructors who reside a distance, evening school will not be cancelled for reasons of weather at any time.

Attendance
Students must attend 75% of all classes held in a course in order to receive credit for the course.

Deposit Fees
The $10.00 deposit fee for each subject is payable prior to October 15, 1955. These fees will be returned at the completion of the class schedule provided the student has satisfactorily fulfilled class and attendance requirements.

Smoking
Smoking is permitted in the basement of the Main Building and in the front main hallway of the Laboratory Building.

Parking
Student parking is limited to the lots located east and to the rear of the Main Building. Street parking is regulated by the Borough of Wyomissing and violators are subject to being fined.
